

SISSEL TOLAAS

[B]

BRIDGE RESIDENCY WORKSHOP

FRIDAY APRIL 14
12-3PM

Nothing stinks, but thinking makes it so.

We breathe 23,040 times a day and with every breath smell molecules flood through our bodies. Bring your nose to this hands-on smell workshop to explore the invisible information surrounding us and the various ways it communicates.

SPACE LIMITED: RESERVE YOUR SEAT WITH SULLI357@MSU.EDU
